“High Performing District”

On Friday, April 30, 2009, our Superintendent of Schools, Dr. John Richardson received a letter from Ms. Lucille E. Davy, Commissioner of Education for the State of New Jersey. In it Commissioner Davy explained that she based her decision on five district performance reviews including:

**Instruction and Program
Fiscal Management
Operations
Personnel
Governance**

As a result of her review, Ms. Davy concluded,

**“..I am pleased to designate your district as a
high performing district!”**

**“These results will be provided to the State Board of Education
at an upcoming meeting.”**

**“Since the district has completed the QSAC
(Quality Single Accountability Continuum)
it is hereby certified to continue operation
as a public school district in the State of New Jersey
for a period of three years or until the district’s next QSAC review.”**

Commissioner Davy closed her letter to Dr. Richardson with,

“Congratulations on this accomplishment!”
