

Welcome to First Grade

To ensure a successful year we suggest purchasing a few items for the first day of school. Use the summer as an opportunity to look for sales at places like Staples, K-Mart, etc. this way you are not stuck paying full price at the end of the summer. Some of the supplies such as pencils, erasers, and glue sticks will need to be replenished throughout the year. For those items you may want to keep a supply at home and send them in when needed.

- A soft/flexible pencil case (not a box)
- Pencils (replenish all year)
- Erasers (replenish all year)
- Glue sticks (replenish all year)
- Scissors (blunt point)
- Covered pencil sharpener that catches the shavings
- 2 folders
- Box of crayons
- 1 marble composition notebook
- 2 boxes of tissues
- 2 boxes of antibacterial wipes
- 1 pack of stickers
- Dry erase markers

Please put your name and grade on each of the above school supplies and on your lunchbox, if you have one. (White address labels work great!)

We are looking forward to having you in our class. Have a great summer!

Sincerely,
Thomas Jefferson's First Grade Teachers
