College planning can become overwhelming and often confusing. If you are planning on enrolling in college in the fall of 2019, you are probably concerned about meeting the rising costs of higher education. Questions arise about the New Jersey State programs, federal grants and loans and the procedures that must be followed in order to obtain financial assistance.

In order to help you in the financial aid process and answer your questions about grants, loans and scholarships, Ridgefield Park Jr Sr High School will present Financial Aid Night on **Monday, September 24<sup>th</sup> at 7:00 p.m.** in the auditorium. A representative from HESAA, the Higher Education Student Assistance Authority, will be our keynote speaker and provide you with valuable information to navigate the process.

The **Free** Application for Federal Student Aid is now available. It is recommended that you start the completion process as soon as possible. Mr. Decker, our guest speaker, can help you do just that.
