Dear Parents/Guardians of Students Entering **Kindergarten**,

We are very excited to be welcoming your child to Kindergarten this September. Working with your child throughout the summer months to complete the attached activities will help to ensure your child has a successful start to their Kindergarten year.

In the attached packet, please have your child attempt the following:

- Complete the two mini booklets of basic skills that your child should be familiar with by the time they enter Kindergarten. (Please help your child cut the mini booklets along the dashed lines and staple as indicated.)
- Complete the coloring and pattern worksheets.
- Practice reciting the Pledge of Allegiance with your child each day.
- Complete the Kindergarten Readiness Skills Chart.

Please have your child return their summer packet to their teacher on the **first day of school**.

Thank you for your cooperation and support of this important Kindergarten preparation process. Enjoy your summer and have fun learning and exploring with your child!

Respectfully,

Mr. Joseph Neubert
Assistant Superintendent for Curriculum and Instruction
